

Homework

- ☐ All homework should have a proper heading including:
- Your name
 - The date
 - Your class
 - The homework number, question numbers, and pages

John Q. Student September 1, ????

Class ? HW#?, Q?-?, p. ?

- ☐ Number each question exactly as it is numbered in the assignment
- ☐ Write out the question as well as the answer
- If you don't write out the question, the homework will be useless for study later on.
- ☐ Answer in full sentences, or, for calculations, show work.

Following the procedures above will make your homework a useful study tool!

- ☐ All homework will be due on the Tuesday following the week in which it was assigned. If class does not meet on that Tuesday it will be due the next day that class meets.
- ☐ There will be a homework quiz on Canvas some time after the homework is due.
- The quiz will ask you to provide your answer to a specific homework question identified by homework number and question.
 - If you have done all your homework you will be able to copy or cut and paste your answer into Canvas
